Dense Phase Conveying

For Immediate Release

Smoot, Division of Magnum Systems, Releases New Dense Phase Conveying Brochure

Smoot, Division of Magnum Systems is pleased to announce the release of the new Dense Phase pneumatic conveying brochure.

This brochure explains why some applications are better suited for dense phase conveying, shows how Smoot's dense phase systems differ from others, and offers a view of typical dense phase systems.

Smoot, a division of Magnum Systems, is a leader in pneumatic conveying systems and components. For over 50 years Smoot has provided customers with versatile, cost effective, pneumatic conveying equipment, and continues this trend today. For more information about Smoot, go to their website at www.smootco.com or call 1-800-748-7000.
